A Digital Insurance solution for every loan closing

Bubble's state-of-the-art technology offers digitally bundled life and home insurance that makes it easy to protect both, your home and your loved ones. We provide a differentiated online offering that helps timely loan close while enhancing customer experience and engagement.

Bubble advantage for Lenders and Borrowers

Bubble's AI-powered online insurance platform enables mortgage originators and processors to embed real-time insurance quotes right within the mortgage application flow. Borrowers can then easily customize coverages, choose insurance products, apply and get approved – all online, often instantly in minutes! As the only company to offer an online way to purchase both homeowner and term life insurance, Bubble provides lenders with the protection they need while wrapping borrowers in total peace of mind.

Key Benefits

Choose a deductible that fits your budget

The deductible, which you choose when you buy a policy, is the amount you have to pay before the insurance company starts to pay for a claim. Generally, paying the higher the deductible you choose, the lower your premium.

Multiple discount opportunities

Stillwater offers policyholders ample discounts from bundling discounts to protection device discounts to discounts if your home is built with an accredited builder. There's no shortage of ways to keep your premiums low with Stillwater.
