

TREEPLOTTER™ INVENTORY

Sam DeMarais

Fargo Park District
Fargo, North Dakota, USA

"Our team has gone completely digital! We update work orders in the field as they are completed, open work orders on the fly, and drive right to them."

Sam's Top 3 TreePlotter Benefits:

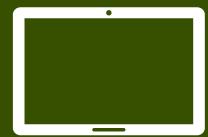

- I can filter and see just the trees I want to, as I walk through the park and manage work orders.
- We have greatly improved efficiency and easily create complex work orders and maps.
- What sets TreePlotter above the rest for me, is the outstanding customer service!
