

# TREEPLOTTER™ INVENTORY

## Robert Seeman

Baton Rouge Green, Director of Operations  
Louisiana Community Forests, State Coordinator

"PlanIT Geo™ provides a great solution for those of us who work outside the traditional assessment market."

## Robert's Top 3 TreePlotter Benefits:

- Data is cloud-based, not on my server.
- Tree data and inventory progress are at my fingertips.
- It is easy to communicate with crews, municipal personnel, and the general public
