

TREEPLOTTER™ INVENTORY

Ricardo Aguilar

President / CEO, Aguilar Plant Care
Escondido, California, USA

"Legoland California...were very impressed we could map their park. With so much plant material, they like that they can single out a specific plant or tree that needs attention."

Ricardo's Top 3 TreePlotter Benefits:

- I can easily and clearly communicate with my technicians and clients on tree locations
- The TreePlotter crew has been great at helping leverage the software for our specific PHC needs
- We are more professional and organized for our clients.
