

# TREEPLOTTER™ INVENTORY

## Wanda Knapik

Instructor, Seton Hall University  
South Orange, New Jersey, USA

"We now have amazing insight about our urban forest, the data is at our fingertips. We love seeing the positive ecosystem benefits of the trees we're planting."

## Wanda's Top 3 TreePlotter Benefits:

- We now have a clear understanding of our urban forest ecosystem benefits.
- Excellent customer support! A+++++
- I can teach students what it takes to be an arborist and how to collaborate and partner with municipal officials.
