Reviews

- Hard to find quality plumbing and electrical trades especially now. But these guys are great and I will definitely use them again. Highly recommend.   
★★★★★ - Peter Parker
- Really happy with the service we received! Will definitely be using Churchill Plumbing & Electrical going forward! :)   
★★★★★ - Susan Salmon
- I was so impressed with the service I received. They sent me a text telling me exactly how many minutes away they were. Both men were polite and easy to discuss ideas with. I had to go out for a while and they had finished when I was home.
