

# Sweet Baby Cauliflower

## CHEF-READY VEGETABLE

Sautéed Sweet Baby Cauliflower Medley

### FRESH, SWEET & TENDER

Sweet Baby Cauliflower is a new variety that yields crisp green stems that tenderize when cooked, and refined golden-colored florets from growing open to the sunlight, unlike regular cauliflower. From simple grilled or sautéed dishes, to more complex usages like in couscous, Sweet Baby Cauliflower will wow your customers with its flavor, texture, and elegant appearance.

**New, Versatile,  
Irresistible!**

#### ENTREES AT YOUR FINGERTIPS:

#### ..... SWEET BABY PIZZA .....

Sweet Baby Cauliflower brings an extra pop of flavor and elegance to your pizza, and goes beautifully with all your favorite pizza toppers like garlic, heirloom tomatoes, and fresh cheese.

#### ..... THE PERFECT PRODUCT .....

Chefs love this product because its texture and refined flavor can be used in a range of cooking applications. From sautéing and grilling to steaming and broiling, this product delivers in sweet flavor, crisp and tender texture, and plate appearance.

#### ..... PAPPARDELLE CAULI PASTA .....

Toss a gourmet flair into your Pappardelle pasta dish by pairing Sweet Baby Cauliflower with Sweet Baby Broccoli, and cooking them with garlic, chili flakes and lemon juice for extra zesty flavor.

**"One of the most fun parts of working with this product is how many different textures and flavors you can get out of the same stalk."**
