

Thank you for purchasing this fine quality made in America Product. When properly assembled and installed, your racking will complement your wine collection for many years to come. To ensure proper assembly please ascertain that all necessary parts have been included and follow the instructions closely. If you have any questions or problems please call us (845) 658-7181, Monday through Friday 9 am to 5 pm EST.

If you are planning to stain or finish your racking we recommend you do so BEFORE assembly for best results.

*Note: Instructions for a two column rack. Assembly procedure remains the same for all standard racking.

*Note: Please verify that you have the correct number of parts before proceeding.

PLEASE FOLLOW WRITTEN INSTRUCTIONS CAREFULLY

1. Find an open, flat area in which to assemble your racking. Carefully remove all components from the box and check all parts to verify package contents.

2. Attach the top to the sides using supplied screws. Be sure to align them correctly so the stemware racks can be installed.

3. Install stemware racks.

*Tip: Use glue sparingly.
