

BEYOND CLEAN AWARD

THIS CERTIFICATE IS AWARDED TO

This award is given to the team member who has shown the greatest amount of Sterile Processing technical or personal *growth* in a single year. Brand new technician or experienced old timer, certifications or self-study, this person went *beyond clean* to improve themselves and their department this year.

CLEAN FREAK AWARD

THIS CERTIFICATE IS AWARDED TO

This award is given to the team member who demonstrates a compulsive addiction to keeping things clean. They love the hand sanitizer, disinfectant wipes, and a little extra rinse with every instrument. Whether it's bioburden or dust bunnies, nothing can stand in the way of this Clean Freak!

DECON DOMINATOR AWARD

THIS CERTIFICATE IS AWARDED TO

This award is given to the team member who has spent so much time in decontamination they could tell you the number of tiles on the ceiling, and how many trays are in a case cart just by how it rolls. When it's "one of those days" nothing beats having a Decon Dominator on your team!

DEPARTMENT MAMA OR PAPA AWARD

THIS CERTIFICATE IS AWARDED TO

This award is given to the team member who stands out as the adoptive mama or papa for our Sterile Processing department. They not only counsel, they comfort, remind, and ensure all the rest of us are staying on task! Department mamas and papas make all the difference!

PEEL PACK PRO AWARD

THIS CERTIFICATE IS AWARDED TO

This award is given to the team member who could assemble peel packs in their sleep. Labels with no bubbles, seals with no cracks, perfectly sized for each instrument, and ALWAYS has an indicator. Clinics and ORs have no idea how important it is to have a Peel Pack Pro on your Sterile Processing team!

METAL DETECTOR AWARD

THIS CERTIFICATE IS AWARDED TO

This award is given to the team member who can find a missing instrument so well you sometimes think, "Hey, did you put that there in the first place?" But seriously, locating missing instruments & trays is a superpower that comes in handy every single day in SPD. Our department metal detectors deserve lots of love!

DON'T WORRY BE HAPPY AWARD

THIS CERTIFICATE IS AWARDED TO

This award is given to the team member who always seems to find a way to keep a smile on their face, no matter how crazy the surgery schedule gets or how angry the person becomes on the other side of the phone. Their ability to stay calm under pressure gives hope to the rest of us.

LONER RANGER AWARD

THIS CERTIFICATE IS AWARDED TO

This award is given to the team member who would stand out on a street corner holding a sign saying, "Will Wrap Loaners for Food." Something about the flip of blue wrap or the "click" of a container lock makes all their professional dreams come true. And we all know who to turn to when the rep shows up with 32 trays at midnight.

I AINT SKEERED AWARD

THIS CERTIFICATE IS AWARDED TO

This award is given to the team member who finds the confidence to handle the big explosions and "issues" that happen in the OR or make it into an incident report. Someone from Sterile Processing has to go, so it might as well be them! And we're just glad it's not us! Those who ain't skeered help to instill confidence in us all.

LIVING THE DREAM AWARD

THIS CERTIFICATE IS AWARDED TO

This award is given to the team member who has those special phrases they ALWAYS say that end up working their way into the department culture and spread to others. "Another day in paradise" "Living the dream" "Are you freaking kidding me?" Whatever the words, they make department life a little more...entertaining.
