

CONTRACT

1

Your vehicle service contract should be tailored to your vehicle and lifestyle.

2

When a problem arises, you should not have to wait to talk to a real human being.

3

There is a knowledgeable expert on your team to assist with the service center and verify pricing is fair.

4

Someone calls you back to explain your coverage, what your options are, and does not try to wiggle out of the claim.

5

You should get back on the road quickly and easily with minimal hassle.
