

WOMAN OWNED SMALL BUSINESS

GovDirect is a leading provider of IT and AV solutions for federal, state and local governments, as well as healthcare and education customers.

Our partners are at the front of quality and innovation, enabling us to get first rights to the latest products at the best prices, a value we pass along to our customers. GovDirect analyzes your needs to determine the best solution, performs difficult product searches, then directly processes your order with zero hassle. And, in contrast to other resellers, it doesn't matter whether you're implementing a large-scale roll out or just ordering a few items. We can secure virtually any IT and AV solution for your business: built the way you want it and delivered accurately and on schedule.

Purchase online or contact us toll-free to visit with one of our friendly sales experts, who will help determine the solutions that are right for your business.
